

## MEMORANDUM

To: EEU E-mail Service List

From: Ann Bishop, Chief Economist

Re: Next Steps in EEU-2010-06 (EEU Demand Resources Plan)

Date: October 4, 2010

---

On September 22, 2010, the Public Service Board ("Board") held the first workshop in the above-referenced workshop process. Representatives from the Vermont Department of Public Service ("DPS"), Central Vermont Public Service Corporation, the City of Burlington Electric Department, Efficiency Vermont, Green Mountain Power Corporation, International Business Machines Corporation, Vermont Gas Systems, Vermont Public Power Supply Authority attended the workshop.

Workshop attendees discussed the proposed schedule for this proceeding that had been filed by the DPS on September 17, 2010. At the workshop, the Board stated that it would establish a schedule for this proceeding based on the DPS's proposed schedule, revised to reflect the scheduling discussion. This revised schedule is attached.

Also at the workshop, the Board stated that Board staff would be conducting most of the proceedings in this workshop process,<sup>1</sup> although the Board anticipates attending the workshop in Track A (Electric Efficiency Resource Acquisition) on scenarios and recommendations that is currently scheduled for the week of March 7, 2011.

The Board stated at the workshop that it would be establishing a separate e-mail distribution list for this workshop process. All attendees at the September 22, 2010, workshop will be added to this e-mail distribution list. Any other interested person who would like to be included on this list should contact the Clerk of the Board at [psb.clerk@state.vt.us](mailto:psb.clerk@state.vt.us). This is the last document issued by the Board that will be circulated to the entire EEU E-mail Service List. However, since participants' first filings in this workshop process are due today, participants should e-mail those filings to the entire EEU
